...from the office of the Executive Chairman

Peter Thompson
President
Team Menitus Racing,
Kuala Lumpur.

Dear Peter,

re: Note of Appreciation

On behalf of the QI Group of Companies,
I would like to thank you for the partnership
which we enjoyed with Team Menitus
for the last 4 years. This was our
first induction into the world of
motorsports and international brand
building.

Our association with Team Menitus
has created greater brand awareness
for the group. Clearly we owe to this,
your untiring efforts.
